

SHERWOOD CARES™

SHERWOOD COUNTRY CLUB  
CHARITABLE FOUNDATION

# Sip, Taste & Treat!

It was a glorious Southern California day. Hall of Fame broadcaster Vin Scully would have said, "A chamber of commerce day", as nearly 130 members and friends were greeted by 20 amazing cars lined up at the golf clubhouse port cochère. Many thanks go to many of our members for sharing with us a part of their remarkable collections.

With the help of several local distributors and vintners, pours from more than 60 wines could be sampled while the perfect complement of tasty treats was served. As it turned out, many that were tasted were favorites as 435 bottles were sold. A portion of these proceeds went to Sherwood Cares, netting the Foundation \$4,200 and illustrating that Sherwood members do, in fact, care!

A special thanks to everyone who contributed to this truly special afternoon where a good time was had by all. Cheers to next year's Sip, Taste and Treat!
