

Sherwood charity donates to CSCVVS

August 01, 2025

Cancer Support Community Valley/Ventura/Santa Barbara announced it received a \$12,000 grant from Sherwood Cares, the Sherwood Country Club Charitable Foundation. The foundation supports programs that address the educational, medical, nutritional and safety needs of children and families in local communities.

The funds donated to the Thousand Oaks-based Cancer Support Community will help local residents impacted by cancer enhance their health and well-being through professionally-led support groups, educational workshops and healthy lifestyle classes, officials from the organization said.

"It is because of this funding that we can continue to provide cancer support to patients, survivors, their families and caregivers, always at no cost to participants," Cancer Support group executive director Monica Murrietta said.
