PHOTOGRAPHY BY SODA FOUNTAIN PHOTOS

Sherwood Cares, the charitable foundation of Sherwood Country Club, held its annual fundraising gala on September 21. Themed as Havana Nights, the event raised more than \$1.5 million, enabling Sherwood Cares to continue to grant funds to local nonprofits, positively impacting those in need within a 25-mile drive of the club. The evening's program featured special guest speaker and comedian Heather McDonald. To date, Sherwood Cares has granted more than \$8.3 million to 65 local nonprofit organizations. The monies raised fuel the foundation's mission to support programs that address medical, education, nutrition, and safety needs of children and families in the community.
