Message

FROM THE SCCCF BOARD

The Sherwood Country Club Charitable Foundation, *Sherwood Cares*, is a 501(c)(3) nonprofit established in 2013 by Sherwood Country Club members who sought to combine their expertise, resources, and philanthropic commitment to support underserved children and families within a 25-mile drive of the Club.

Since its founding, the Foundation has grown steadily. To date, *Sherwood Cares* has awarded more than **\$9.4 million** in grants to **67 local non-profit organizations** aligned with our mission. As our granting capacity has expanded, so has our commitment to strong governance. We now have **14 Directors** (see page 12), each contributing valuable experience and a deep passion for service. Their volunteer leadership allows us to maintain exceptional efficiency, as **only 1.8%** of revenue is allocated to administrative costs, ensuring that donor support directly strengthens our community.

Long-term sustainability is essential to our work, and the impact of that work is evident. While a full list of our nonprofit partners appears on page 6, the following highlights reflect the tangible difference these organizations made this past year with support from *Sherwood Cares*:

- Provided **more than 1,300 shelter bed nights** for survivors in Ventura County's human trafficking shelters
- Enhanced **after-school programs** in Simi Valley and Moorpark Unified School Districts with STEAM enrichment, social-emotional learning, healthy snacks, and physical activity for low- to moderate-income students
- Supported **160 family members** grieving the loss of loved ones to cancer through facilitated support groups
- Upgraded **Tech Labs** at the Boys & Girls Clubs, expanding access to hands-on learning and digital literacy
- Supplied **walkers, motorized scooters, household goods, and donated furniture** to disabled veterans in need

Your generosity fuels this impact. We are grateful for your trust, your partnership, and your continued support of *Sherwood Cares* as we work together to strengthen the community.

GRANT PROCESS

The Sherwood Country Club Charitable Foundation provides grants to organizations with demonstrated capabilities in providing high-quality programs. Grants can be used for capital improvements or campaigns, specific projects, and for general program expenses.

The Foundation provides grants to charities that:

- ✓ Are 501(c)(3) charitable organizations.
- ✓ Serve children and families who are low-income or vulnerable populations, addressing their educational, medical, nutrition or safety needs.
- ✓ Provide significant services supporting the community within a 25-mile drive of Sherwood Country Club.
- ✓ Have a record of demonstrated program operating success and outcomes in providing their services. Please note, the Foundation does not provide grants to groups that operate primarily as fundraisers for other charitable organizations.
- ✓ Have a history of demonstrated efficient financial management and controls in providing their services.
- ✓ Are successful in raising funds from additional sources, particularly in their immediate communities.
- ✓ Agree to the Foundation's requirements for post-award financial and operational reporting, in addition to entering into mutual releases with us regarding the use of names, logos, and photos.

We accept grant applications twice per year. Please encourage your favorite local nonprofits to apply. They can visit www.sherwoodcares.org for eligibility and application information.

For questions or more information, email us at grants@sherwoodcares.org.
